### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors

Royal Oak Estates Homeowners Association

Calgary, Alberta

I have prepared an audited balance sheet of ROYAL OAK ESTATES HOMEOWNERS ASSOCIATION as at November 30, 2020 and the statement of revenue and expenses and homeowner's equity for the year then ended, from information provided by the board. It is my responsibility to express an opinion on these financial statements based on my audited preparation.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining evidence supporting the amounts and disclosures in the information provided by the board. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred present fairly, the financial position of Royal Oak Estates Homeowners Association as of November 30, 2020 and the results of its operations for the year ended in conformity with accounting principles generally accepted in Canada.

The Association has not estimated the remaining lives and replacements cost of property, therefore, has not presented supplementary information on future repairs and replacements.

ROYAL OAK ESTATES HOMEOWNERS ASSOCIATION

NOTES TO FINANCIAL STATEMENTS

November 30, 2020

( Audited )

---

NOTE 1. NATURE OF ORGANIZATION:

Purpose

Royal Oak Estates Homeowners Association is a homeowners association organized as a non-profit corporation in the Province of Alberta. The Association is responsible for the operation and maintenance of the common areas of a residential real estate development for the benefit of its members.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Member Assessments

Association members are subject to annual assessments to provide funds for the Association's operating expenses, future capital acquisitions, repairs, replacements and maintenance of common areas. Accounts receivable at November 30, 2020 consist of monies due from the City of Calgary as provisions for monthly expenses for the months of October and November 2018. Any excess assessments at year end will be retained by the Association for use in future years.

Property and Equipment

Real property and common areas acquired from the developer and related improvements to such property are not recorded in the Association's financial statements because those properties are owned by the individual unit owners and not by the Association. Equipment is recorded and depreciated using the straight-line method. Current capitalized equipment consists of common area equipment. No provision has been made for depreciation of equipment and improvements at November 30, 2020.
